Old Business

- Rent-A-Sign - We are doing this again this year. Susan Bridges & Kathy Falls handling. \$10.00 upfront, no exceptions, school news or announcements take priority. Thank you for doing this.
- Fall Fundraiser - Auto Bell
- Fall Fest - PTO handles food, Faculty & Staff handles their own game...Should PTO still do inflatables? Armbands? Will need volunteers to help with set-up, clean-up, food & PTO games.
- Teacher Reimbursement – Fall Fest in lieu \$100.00 each
- Playground Update – Susan Bridges
- 2007-08 PTO Focus – Technology - Needs for the Media Center and rest of school.

For Consideration:

Kim Duckworth says every teacher NEEDS a flash/jump drive. Save their work and then when they need a presentation cart it won't matter which cart they get because their work is saved to their flash. We don't have a cart for every teacher yet. For \$15 a pop, that would make a great teacher appreciation gift, skip the big meal, have an ice cream party and give everyone a jump drive.

New Business

- **PTO Curriculum Night / Spaghetti Supper -**
Need someone to head and organize this committee. How was it done last year.
- School Store - Emily Harris with Title I still runs the school store but since new security doors were installed hardly anyone comes. Do we want to have a PTO store as well?
